Glass Works of Art as Unique as a Snowflake

O riginal, one-of-a-kind colorful art on a blown glass sphere.

Snowflake Ornament Company introduces you to custom designed ornaments. Pigmented art of enduring beauty that is guaranteed to provide you a sophisticated fundraising opportunity and your donors visual pleasure during the holidays and throughout the year.

Special ornaments are great fundraiser.

Inspired by elements found in nature and all forms of interior design, every ornament is original and one of a kind — like a snowflake. Each ornament is hand painted using a two-week progressive layering process. When you choose *Snowflake Ornament*, you are offering your donors colorful art created with a technique that has been refined over the past decade.

Art with many decorative uses. Hang ornaments on a Christmas tree and ornament stands, arrange in crystal bowls, place atop candlesticks and glassware, display in windows, and use as small decorative vases with botanicals and greenery - **add color and style to everyday home décor.**

Available in the popular 4" diameter size.

Select from our designed collection or we'll design to your specifications. You choose the quantity and your color scheme - we do the rest. Provide us your special message and we'll hand apply it to the ornament, for that personalized touch. Ornaments include a high-quality ribbon hanger and are individually packaged in our special transparent gift box with iridescent shred and a story card.

Snowflake Ornament Company first began as a home based business in 1993, and is the result of designer Beth Machall-Dwyer's "long-standing love of color and interest in filling her Christmas tree with unique ornaments."

Offer sophisticated fundraising gifts that create lasting memories and are guaranteed to be a success.

Extra special pricing extended to not-for-profit organizations. Call or email us for details.

Each ornament includes a transparent gift box with story card.

Step-by-Step Custom Design

- **Determine your quantity.** Contact us for a quotation and to discuss your deadline requirements.
- **Select your color scheme** from designs in our growing collection (visit www.SnowflakeOrnament.com). Custom color designs available. Provide color samples with your order for precise color matching.
- **If desired, determine personalized script to be applied.** A personal or company name, a location, an event, a time period or year, a holiday message. The sky is the limit, but keep your script brief for space and aesthetic purposes.
- **Choose an ink color** for the personalized script option, or let us choose for you. Ink will complement the ornament colors and crown.
- **If desired, provide a message and/or graphic logo for the custom insert card.** Customize the ornament packaging with a printed message on the transparent gift box. Particularly appealing to organizations wanting to provide additional information or thanks to a donor. We can include logos and graphics in most file formats.
- **Complete the order form and mail or fax.** Download order forms online.
